To Our Valued Customer:

Re: Freight Recovery *REVISED*

Effective on all freight allowed orders as of March 1, 2018, Felker Brothers Corporation has implemented a per pound charge (pipe, tube, and fittings) for freight recovery. This charge will be based on the attached Freight Rate Schedule and will be a separate line item on the invoice.

I want to apologize for any inconvenience this may cause due to the date change. Our goal at Felker Brothers is to continue to offer the highest level of quality products and customer support in the industry.

Thank you for your continued support of Felker Brothers Corporation. If you have any questions, please contact your sales representative or me.

Sincerely,

FELKER BROTHERS CORPORATION
