To Our Valued Customer:

Re: Felker Brothers List Price Sheet P-090109

Costs associated with the manufacturing of stainless steel pipe continue to rise. As a result, Felker Brothers will be implementing a price increase effective with all new orders received on September 1, 2009 (see attached list price sheet P-090109). All stainless steel pipe products will be subject to any applicable alloy surcharge in effect at time of shipment and will appear as a separate line item at time of invoice.

Thank you for your continued support of Felker Brothers Corporation. We look forward to providing you with the industry's highest quality products and service. Please let me know if you have any questions.

Sincerely,

FELKER BROTHERS CORPORATION
