

BUSINESS SEGMENT MANAGER

We have an opening for a Business Segment Manager in our Marshfield, Wisconsin facility. The individual selected for this position will be responsible to manage and coordinate sales functions for assigned markets and assigned accounts for our pipe and fitting products, to include developing sales strategies.

Requirements for this position include strong communication skills, good time management and organizational skills, and ability to use problem solving techniques. Additionally, this position requires travel for customer visits, trade shows, project award meetings and sales calls. Preference will be given to an individual who is knowledgeable on Felker products or sufficient experience in the process industry, and an educational equivalent to a bachelor degree in business, sales/marketing or engineering plus one to four years of experience in the process industry or related field.

We offer a competitive wage and benefit package, to include health, life, dental and disability insurance, paid vacation and holidays and retirement plan.

Interested candidates may apply by *application to:

Felker Bros. Corp – BSM
Attn: Human Resource Dept.
22 N. Chestnut Avenue
Marshfield, WI 54449

An equal opportunity employer/drug test required.

*Applications may be obtained at www.felkerbrothers.com
